Family Call Program

To help ensure a positive customer experience, a member of our Leadership Team will contact you monthly for your feedback regarding your satisfaction with the services your loved one is receiving. You'll have an opportunity to share any requests you may have. We'll also be happy to contact other family members who are out of town, per your request.

"Resident First" Program

Once the choice has been made to stay with us, we want to know each resident as an individual right away. Our "Resident First" Program helps us to easily relay important information about each resident to caregivers and others that provide daily assistance. We spend time with each resident and his or her family members to learn detailed life history information such as past jobs and life roles, hobbies, family dynamics, habits and personal likes and dislikes. This information is posted in a frame just inside the resident's suite.

Family Night

We host a family night event monthly, and we invite each resident and their family members to participate in this evening of good cheer, great entertainment and delicious food. Family nights are a perfect opportunity for you to spend time with your loved ones and meet new friends from the community. We look forward to seeing you at our next family night!

Recreational Programs

Residents enjoy a variety of fun, stimulating and rewarding programs. Our residents can participate in a full schedule of events that are entertaining and allow friendships to flourish! We also offer evening activities twice a week, as well as a full activities program on weekends. Programs include volunteers from the community and inter-generational activities that include children and young adults.

Weekend Leadership Program

To ensure that you have access to a management team member seven days a week, we have a Department Leader onsite eight hours each day both Saturday and Sunday. Should you need assistance, you'll find the name of the Weekend Manager posted near the main entrance.

Customer Satisfaction

As a valued customer, your feedback is extremely important to us. Customer Satisfaction Surveys are sent out twice yearly. We encourage you take a moment and complete the survey and return the postage-paid survey to our home office. Whether it is a compliment about the service and care your family member has received, or a question, concern or suggestion, we are ready to listen. Your feedback will help us continue to provide the high quality service and care our residents and their families deserve.

We want to hear from you, and we welcome your regular feedback!
